## **Oro Loma Residential Sewer Rates Lowest in Alameda County!**

Free 15-month Oro Loma 2014-2015 calendars featuring winners in the 2014 Earth Day Poster Contest have been delivered to schools throughout the District. Calendars may also be picked up at the District office, 2655 Grant Avenue, San Lorenzo, CA 94580.

## **Food Scrap Recycling**

Food scrap recycling was introduced in Oro Loma in June 2009. At that time, compostables, which includes food scraps and food-soiled paper, accounted for 49% of the trash collected in Alameda County. County-wide, the figure for compostables in the trash is now down to 32%. The District's average is even better. In Oro Loma, only 20% of trash consists of compostibles. Great job!

By recycling food scraps, you free up space in the landfill and provide a resource that can be turned into rich compost for agriculture and landscaping. And it's easy! Just collect scraps in your small green pail, or in a cardboard milk or takeout container, then transfer them to your green waste cart. Green waste carts are serviced weekly.

#### Food scraps include:

Fruits and vegetables, meat, poultry, bones, seafood, egg shells, cheese, bread, beans, rice, pasta, tea bags, coffee grounds and filters, food-soiled paper and cardboard containers, paper plates, pizza boxes.

### Do not include:

Plastic, glass, metal, Styrofoam, liquids, kitty litter, animal waste.

Call Waste Management at (510) 613-8710 with questions.
