WASTEWATER TREATMENT OPERATIONS INTERN

Temporary, Full-Time or Part-Time
$25.00/hr. up to 1,000 hours per year

THE POSITION:
Under direction from Oro Loma Plant Operators, learns and performs unskilled work related to the maintenance and operation of the District’s wastewater treatment plant. The hands-on experience provides the intern with the basic knowledge of how a wastewater treatment plant operates and allows the opportunity for a future career in the industry.

The position offers no benefits, and the pay is processed through a temporary employment agency.

EXPERIENCE AND EDUCATION:
Equivalent to the completion of the 12th grade. Basic computer skills and math knowledge, as well as proper usage of the English language, are required.

Some coursework with emphasis in wastewater systems is preferred. Familiarity with the service area and/or some experience in construction trades is also preferred.

LICENSE AND CERTIFICATION REQUIREMENTS:
Possession of a valid California driver’s license and a motor vehicle record that meets the District’s standards are required. Acquisition of an Operator-in-Training certificate from the State Water Resources Control Board is required – information available at: https://www.waterboards.ca.gov/water_issues/programs/operator_certification/oit_info.html

APPLICATION & SELECTION PROCEDURE:
Submit a resume to Oro Loma Sanitary District by email at info@oroloma.org or fax to (510) 276-1528. Please write “Operations Intern” at the top of the resume. Resumes will be evaluated as received, and the applicants with the most desirable qualifications will be invited to interviews.

FINAL FILING DATE:
Open until filled.

NOTE:
The information contained herein does not constitute an expressed or implied contract, and any part of the selection process may be modified or cancelled to meet the needs of the District. EOE.
