

INSIDE ORO LOMA

Continuing Our Tradition of Great Service

As we look forward to the holiday celebration season with our loved ones, our team at Oro Loma is working diligently to ensure that all your services continue seamlessly. This includes maintaining our sewer main lines and pump stations, wastewater treatment, and providing solid waste services.

Last year, I made a commitment to keep the San Francisco Bay and our community clean. We continue to maintain our commitment and in the coming years we will be making improvements to our treatment plant. In 2022, we focused on aggressively replacing our sewer lines in the streets in order to avoid overflows and backups. We will continue to provide consistent service so that you can spend time with your loved ones without having to worry about your sewer infrastructure.

Thank you and happy holidays to you.

Jimmy Dang, P.E.
General Manager

Introducing the Recycle Coach App

Need Help Sorting Your Waste or Getting Service Day Reminders?

Recycle Coach takes the guesswork out of sorting, and it enables residents to play an active role in helping to reduce greenhouse gas emissions.

With Recycle Coach, you can:

- Become better recyclers with the "What goes where?" search tool, which contains local recycling and disposal info, as well as collection requirements for common and unique household items;
- Learn about sorting waste with the "What goes where?" search tool, offering recycling and disposal info, as well as collection requirements for common and unique household items;
- Stay organized with a customized curbside collection and events calendar;
- Receive collection reminders and real-time updates.

Scan the QR code to download the app on your mobile device. You'll love it!

Oro Loma Recognized for 28th Consecutive Year

Oro Loma has again won the Government Finance Officers Association's (GFOA) award for excellence in financial reporting.

The GFOA's Awards for Excellence in Government Finance recognizes innovative programs and contributions to the practice of government finance that exemplify outstanding financial management. The awards stress practical, documented work that offers leadership to the profession and promotes transparency in public finance.

How to Dispose of Nonworking Holiday Lights

LED - Household
Hazardous Waste (no
need to remove the cords)

Incandescent - Trash

*Get more details on safe disposal
of light bulbs of all types:*

Holiday Fried Turkey?

Don't Pour the Grease Down the Drain!

Need to discard used cooking oil
after your holiday feast? **Never
pour it down the drain.** Dispose of
large amounts at HHW at no cost;
small amounts can be mixed in your
green waste.

Shiny wrap & ribbons? Reuse or trash, please!

Not all holiday wrapping is recyclable.
***Please reuse or trash bows and
ribbons, metallic, foil, or glitter paper.***

**Place non-coated wrapping paper in
the blue recycling cart.**

WM Curbside Holiday Tree Pickup

January 2 - 12, 2024

- Natural trees only, 6 ft and under, or trees cut into lengths smaller than 6 ft.
- NO flocking, tinsel, ornaments, tree stands, or nails. (Cut up flocked trees and place in the trash.)
- Place natural trees next to your green organics cart on your regular collection day.
- After January 12, 2024, natural trees may be cut up and placed in the green cart for pickup.
- Bulky waste pickup is suspended during the holiday tree pickup period.

TIP!

GOT HOUSEHOLD HAZARDOUS WASTE?

HHW accepts items such as batteries, motor oil, chemicals, and paint. No appointment needed!

LEARN MORE OroLoma.org/HHW

TIP!

DON'T BAG YOUR RECYCLABLES!

Recyclables in plastic bags can't be handled by sorting equipment, so the recycling goes in the landfill with the trash. Not good!

TIP!

LEFTOVER OR SPOILED FOODS AFTER A BIG HOLIDAY PARTY? GREEN CART please, not the trash!

Oro Loma Sanitary District provides wastewater collection and treatment services and residential and commercial trash, recycling, and organics collection services to its customers.

Our services **do not** include providing drinking water.
